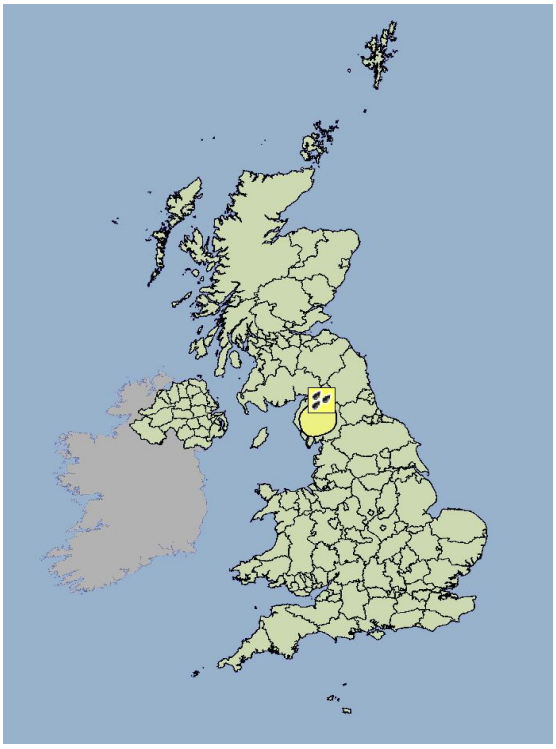
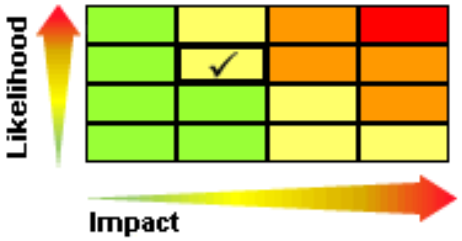
National Severe Weather Warning Service





Chief Forecasters Assessment
A further 30 to 50 mm of rainfall this afternoon and evening, including some intense bursts, could lead to flooding in a few areas.

The Met Office have issued a **Yellow Warning** of **Rain**

Valid from **09:30 on Mon, 25th Dec 2017** until **23:00 on Mon, 25th Dec 2017**

Further spells of heavy rain on Christmas Day.

Following heavy rainfall during the past 24 hours, especially in central Lakeland, we are seeing a slight lull during the morning before further rain arrives this afternoon, some heavy.

Spray and flooding on some roads is likely to make for longer journeys. Flooding of low-lying areas is also possible with a lower risk of flooding of individual properties.
